

Getting your whole church on board: some ideas

1. Start publicizing the **Love Life Live Lent** initiative early in the New Year. Use our **PowerPoint** and **poster** to introduce the idea to your PCC and other groups within the church.
2. We have provided materials for many different groups with the church. In our church resources section you will find:
 - sermon suggestions
 - adult small group materials – ideal for a house or Lent group
 - children’s activity materials
 - youth group materials
3. If you have a linked school, there are collective worship suggestions for both primary and secondary schools available.
4. Plan to kick off Lent with a whole church, all-age event, such as a pancake party
5. During Lent, why not provide regular slots for people to share the **Love Life Live Lent** actions they have carried out during the week and the response to them.
6. Make sure the week’s **Love Life Live Lent** theme is included in the intercessions.
7. Have a **Love Life Live Lent** noticeboard in the church foyer or hall on which people can post their prayer requests, stories and photographs.
8. At Easter (or after if appropriate), give people the opportunity to give thanks for the **Love Life Live Lent** initiative and all that happened during it.
